

Serial No.: 09/634,140 (Amendment Under Rule 312- **REMARKS**)

Art Unit: 2682

Remarks

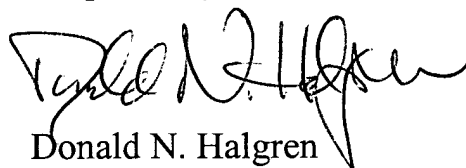

Entry of the present amendment to this Application under Rule 312 After Notice of Allowance received, is earnestly requested.

The Title is changed to more appropriately reflect the allowed claims. The Abstract of the Disclosure is changed to also more appropriately reflect the allowed claims. Please strike the present Title and replace it with the Title recited in this amendment. Please cancel the present Abstract of the Disclosure and replace it with the Abstract recited in this amendment.

No new inventive matter has been added.

Passage to Issuance of this Application is solicited.

Respectfully submitted,

Donald N. Halgren
